## SLICED IGUANA: TRAVELS IN MEXICO

Tauris Parke Paperbacks, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "An eccentric heroine." Best Travel Book, 2002, Marie Claire "Reading Sliced Iguana convinced me that I was actually in Mexico and the author's relaxed, evocative style gave the country an exciting and endearing appeal. This book is a readable, informative and humorous account of a country that is little-known by its own people and even less by the outside world." Bookseller's Choice "Here is a book that goes some way towards throwing light on Mexico's multicultural mix and its rich and bloody history. It's clear she's having enormous fun, but she is also attempting something serious here: to engage with and understand something of Mexico's indigenous culture and its survival into the 21st century. Tree's second travel book confirms the promise of Islands in the Clouds: she is an accomplished traveller and a fresh and rewarding writer." Anthony Sattin, Book of the Week, The Sunday Times "She has an array of qualities that fit her for writing about wild and remote places; insight, sympathy, courage, a lucid and colourful fluency, humour that makes many of her pages hilarious." Patrick Leigh Fermor "One of the most accomplished travel writers to appear on the horizon for many years." Eric Newby "Sliced Iguana is a gem of a book which shines in every direction; it is heartfelt and penetrating, poignant and touched throughout by irresistible humour. But the author's greatest achievement is to have plunged fearlessly beneath the surface of the culture it explores to produce a work that is truly relevant to our time." Jason Elliot "Isabella Tree's rare and exciting talent is taking travel writing into a new dimension." Alexander Frater "Wry, perceptive, intelligent and irreverently funny. the best of travel writing. Wonderfully...
