

Connecting Women

By Valérie Schafer

Springer-Verlag Gmbh Okt 2015, 2015. Buch. Book Condition: Neu. 23.5x15.5x cm. Neuware - This important volume examines European perspectives on the historical relations that women have maintained with information and communication technologies (ICTs), since the telegraph. Features: describes how gendered networks have formed around ICT since the late 19th Century; reviews the gendered issues revealed by the conflict between the actress Ms Sylviac and the French telephone administration in 1904, or by 'feminine' blogs; examines how gender representations, age categories, and uses of ICT interact and are mutually formed in children's magazines; illuminates the participation of women in the early days of computing, through a case study on the Rothamsted Statistics Department; presents a comparative study of women in computing in France, Finland and the UK, revealing similar gender divisions within the ICT professions of these countries; discusses diversity interventions and the part that history could (and should) play to ensure women do not take second place in specific occupational sectors. 174 pp. Englisch.

Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
