Original publisher: Maxwell Air Force Base, Ala. : Air War College, Air University, 1996 OCLC Number: (OCoLC)53398660 Subject: United States -- Armed Forces -- Civic action. Excerpt: . . . ESTILOW 9 have to make is to establish by that test the kind of war on which they are embarking; neither mistaking it for, nor trying to turn it into, something that is alien to its nature. Joint doctrine defines military operations other than war as encompassing a wide range of activities where the military instrument of National Power is used for purposes other than large-scale combat operations usually associated with war. The same document also lists raids, strikes, and insurgencies as other than war missions. Doctrine seems to focus on the key words large-scale, but success may depend more on the key words combat operations. Unless focused on a nonstate actor, each of these missions is an explicit breach of another nation's sovereignty. Such action usually results in war or at least a warlike reaction. One nation's OOTW easily becomes a survival issue for the other nation or nonstate actor. Witness the hunt for Mohammed Farah Aidid in Somalia. For the US, this operation represented the UN sanctioned arrest of a criminal. Aidid and the Somali clans who regard him as a national hero saw things quite differently. One hundred Ranger casualties and three posthumous Medals of Honor later, the US was forced to withdraw in failure---not of the heroic military personnel but failure of strategic policy. The OOTW rubric masked the real intent of what the political and military leaders expected the US military force to accomplish. The military missions of OOTW must be thoroughly analyzed to determine risk of combat. This risk...
