This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

GREENPORT

Arcadia Publishing (SC), United States, 2013. Paperback. Book Condition: New. 234 x 163 mm. Language: English . Brand New Book. Located on the north fork of eastern Long Island, Greenport is a storied place. Its history springs from its environs: the rich soil of the inlands, the abundant surrounding waters, and a deepwater port for its harbor. Greenport is the only incorporated village in the Town of Southold. Over time, it has served as an important whaling, menhaden, oystering, rum-running, and shipping port. In 1827, Main Street was established, and Greenport continued to bloom. Local stores supplied provisions for the maritime industries and the many glorious hotels and restaurants of the area. The Long Island Rail Road, the original connection for steamships to the New England coast, brought commerce to the area. Greenport shares photographs of a community admired for its scenery and rich maritime history.
