Weems has been noted and praised for her writing, galvanizing national speaking, and pioneering scholarship in the field of Old Testament studies. Yet in the midst of her celebrated work, she was experiencing a profound spiritual crisis permeated by a hollow, painful silence that seemed, at times, to mark an irreparable rupture in her communication with God. In this deeply affecting book, Weems addresses the believers yearning for God through periods of inconstancy, vacillation, and disenchantment. Her own spiritual disquietude will be familiar to all who struggle to maintain faith while the details of daily life -- negotiating with children and spouses, caring for ailing parents, living up to professional expectations, developing hobbies, managing finances, and planning for the future -- compete for energy with ones relationship with God. In sharing her own strategies for redefining mundane rituals so that they contribute to reverence and devotion, Weems offers a beacon of light for all believers struggling to listen for God amidst the din of worldly demands and distractions.
