Excerpt: . . . 11 performance payments for physicians who meet or exceed performance standards in clinical delivery systems and patient outcomes, and will reflect the special circumstances of smaller practices. This demonstration currently is under development and will be implemented in Arkansas, California, Massachusetts, and Utah. Participating practices will receive technical assistance from the Quality Improvement Organizations in their areas, as well as bonus payments for achieving the projects objectives. CMS also is investigating how to enhance quality and safety in the Medicare Health Care Quality Demonstration. This demonstration program, which was mandated by the MMA, is a five-year program designed to reduce the variation in utilization of health care services by encouraging the use of evidence-based care and best practice guidelines. CMS will soon seek public comment on the parameters for this initiative, and it will be open to physician groups and integrated health systems. Promoting Coordinated Care and Disease Management CMS recognizes that many patients require care in a variety of settings. Therefore, CMS has projects in operation or in the planning...
