Forest Elves: Protectors of the Rainforest

By Keith Branch

Outskirts Press, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Join the Forest Elves on their adventure to save the rainforest from unforeseen dangers. They will encounter an unknown creature that is damaging the rainforest and various other creatures that threaten them, their family and the entire rainforest. They also find help along the way from the most unexpected sources. This story is a fictional adventure into the rainforest, but not just one rainforest. I chose to put different types of animals in this story so maybe people will be interested in the rainforest and want to protect it. Every living thing on Earth is dependent on the rainforest. The animals need the rainforest to survive and we use plants from the rainforest to make medicine. The beauty of the rainforest is reason enough to leave it alone. Another reason is that the trees in the rainforest help take the carbon dioxide out of the air and replaces it with oxygen. All living things need oxygen to breathe and that includes the human race. Clear cutting these rainforests is making many animals become extinct. Who knows, the...
