*It is a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Paperback. Book Condition: New. Paperback. 204 pages. Was she a second chance at love or his golden opportunity for revenge? Sebastian Cade, reclusive Duke of Rutland, has gone to great lengths to withdraw from the London society he's come to despise. Still reeling from betrayal and tragedy, he finds himself powerfully attracted to his lovely new raven-haired ward so much so that he begins to question the last five years of his life. When Julia Deveraux awakens in the Duke's rose garden, the memories flood back. A betrothal she detests. The great black horse stolen from her father. Her near escape. Now under Sebastian's care, she sees the rumors of his disfigurement are far from true. But will her secret connection to his sworn enemy tear them apart before love brings them together?

Reviews: RECKLESS LIAISONS is a no-frills, all romance-all the time, riveting Regency romance. For starters, our hero, Sebastian, captivates the reader in such a manner that even before they're halfway through the book it feels like a moral imperative just to see how his story comes to a conclusion. At the onset, Sebastian feels like the typical historical romance hero - titled, wealthy, sees the Ton for all their petty self-importance, and too handsome to be true (despite a noticeable scar across his face) with a body to match his flawlessness. But it's the way he tortures himself with an obscene amount of guilt and how he continues to nurse his broken heart that will invest the reader in his character. As far as heroines go, Julia is sweetly engaging, with charm enough to win the reader over into believing she is worthy of Sebastian. As a couple, their chemistry is such that there is no doubt the reader will be breezing through the narrative just to find any and all...
